A THIRTY-DAY CHALLENGE

Assess your level of contentment for each area on
the self-care wheel

What personal development goals are you currently working towards, and how are you approaching them?

Which activity did you choose today?

Detail any preparations needed for the activity, like setting aside time, creating the right environment, traveling.

How did you engage in the activity? What did you do and how did it go?

Would you consider varying the types of activities to include a mix of physical, emotional, social, personal, spiritual self-care by your specific needs? Where do you need to focus?

Reflect on the experience. Did it meet your expectations? How did it make you feel? Did you encounter any challenges or learn something new about yourself?
